

WHAT DO I WRITE FOR THE **ITINERARY**

Here are a previous version of an itinerary that was done:

6:00pm:

Make way Dublin city for the Glamourazzi!! All of the flirty and fabulous girls hit the town in style for Eilly's Hen party. We wanna see short skirts and big hair....underwear as outer wear optional! Glamourazzi girls GO GAGA tonight so men of Dublin beware!

6:30pm:

Heading to Unicorn Piano Bar to get the night started, ditch the diets girls and get stuck in!! And to top it all off this is where the real Lady Gaga had her after show party when she was in Dublin, so the Glamourazzi girls should fit right in!

9:00pm:

Now it's off to Cafe en Seine for champagne and cocktails, the life of a Glamourazzi ain't easy! Here we are gonna hob knob with the Dublin elite and tech them a thing or two about getting the party started! Don't forget to keep an eye on the Hen and make sure she's still standing...we all know how much Eilly Gaga likes her Champers!!

11:30pm:

Then it's a quick taxi ride to Howl at the Moon for the girls to strut their stuff on the dance floor. It's time to wreck it; we wanna see shots, table dancing and plenty of outrageous flirting with the hot men of Dublin. If you're still sober then you're not trying hard enough!

3:00am:

The Glamourazzi girls head home to hang up their stilettos for another day, but what a night it was! Eilly's Hen party was a huge success so thanks to all the gorgeous girlies for coming and partying their Jimmy Choos off! Roll on Portugal!!!
